

What does CKCA membership get you? Plenty of tools designed to help your business.

Your company is a CKCA Member – share these tools with your staff!

We are the only national association focused on the kitchen cabinet industry.

We are here to help Manufacturers, Suppliers, Dealers and Associates.

	<p>Does your business believe in professionalism, quality, innovation and Canadian-made? Then say so!</p> <p>More builders are asking for proof of professional association membership.</p> <p>Show commitment to Canadian industry by using CKCA’s logos on your website and promotional materials. Use our list of “why buy Canadian” and strengthen the message of supporting manufacturing of cabinets in Canada. Now more than ever consumers want to support local and Canadian-made.</p> <p>We supply members with showroom door stickers and member certificate. Want the logo for your website, fleet vehicles, social media etc? – We can send it electronically. Contact: info@ckca.ca</p>
	<p>CKCA can add strength and credibility to your social media posts! We will follow you and be sure to follow us too and stay updated on the latest industry news. Find us on LinkedIn, Facebook, YouTube and Instagram.</p>
	<p>Got something to sell? Looking for something to buy? Members can post products for sale - free service on our website. https://www.ckca.ca/marketplace/</p> <p>Ask the industry! Got questions you want to bounce off someone? Use our On-line Forum – Free to members. https://www.ckca.ca/forum/</p> <p>Recruiting difficulties? Members can post positions on CKCA’s website for free. https://www.ckca.ca/careers/ - we’ve got more tools coming soon!</p>
	<p>What’s going on out there? Compare notes, talk to your industry! Members attend our National Discussion webinars free. Topics focused on the kitchen cabinet industry from the experts.</p> <p>Sessions recorded for on-demand listening. Got a topic you can speak on? Looking for more information on a specific topic? Contact info@ckca.ca</p>
	<p>Your products are built to last? Prove it! Get your product CKCA certified. An industry designed standard measuring the performance of your product. Give your customers extra piece of mind and stand out from the competition.</p> <p>For more information on the process to certify contact us at info@ckca.ca.</p> <p>Transparency – Quality – Assurance</p>

What does CKCA membership get you?

Plenty of tools designed to help your business.

 <p>Find out why our program is different from the rest.</p>	<p>Keep good employees and keep your costs down! CKCA Employee medical benefits program – gives you access to affordable rates and a comprehensive program through Desjardins Insurance.</p> <p>You could be paying too much for your plan, but how will you know? Let us do the comparison for you, then you decide.</p> <p>We could save you \$thousands as we have for those members we’ve already signed up! Contact CKCA Group Advisor: alice@ingeniousinsurance.ca or call 613-286-2313 for more information and let Alice know you’re a CKCA member.</p>
	<p>What are other shops doing? Learn best practices from others. We organize plant tours across Canada. Covid-19 has changed this for the time being, but we look forward to returning to shops across Canada and learning from each other again. In the meantime, watch for virtual tours.</p> <p>Stay tuned on events!</p>
	<p>Industry News – keeping the industry connected and informed helps you make better business decisions.</p> <p>Industry trends and data? We survey the industry and report those results. This year we’re creating a salary survey!</p> <p>Have you seen our Installers Guide? Published 2019 gives you employment/wage data. Watch for our survey data reports and more coming your way in 2021.</p>
	<p>Business opportunities through CKCA – As the national association we are contacted by Dealers in Canada and the US plus other companies looking to work with Canadian manufacturers.</p> <p>We pass those leads on to CKCA members!</p>
 <p>https://cme-mec.ca/home-departments/</p>	<p>We advocate for you! Manufacturing is not just about cars! CKCA has partnered with CM&E to bring the voice of the wood industry to CM&E’s Canadian Manufacturing Coalition.</p> <p>What does this mean? You have access to all the CM&E member programs and services plus CKCA speaks up on your behalf and brings our industry issues to CM&E who have a strong presence with Government.</p> <ul style="list-style-type: none"> • We want to see a manufacturing strategy that supports manufacturing in Canada! • We want an end to the skilled labour shortage. • We want more support for Canadian made products.

What does CKCA membership get you?

Plenty of tools designed to help your business.

	<p>Brings your business help from the experts. CKCA partnered with CFIB to give you access to CFIB business help (must be a Canadian owned, non-publicly traded company to qualify). 	<p>Get a \$15K (yes that’s \$15K) discount when you install a Packsize machine which provides on demand packaging for your finished products. Eliminate the waste, save money on disposal of used boxes. Consider what Packsize can do for you and your company and check out the testimonials from other kitchen manufacturers to see how they are using the system and why.</p> <p>Contact marcus.flannery@packsize.com for more information.</p>
	<p>Increase warehouse space, get rid of old stock. Reduce dumping fees – donate! We make it easier to donate through a partnership program. Got something that has to go? Make one phone call! Just call Rume Shrestha at 647-289-5064 or rshrestha@habitat.ca</p>
	<p>Dispose of your electronics safely and securely with this National program and help children and the underprivileged. ERA (Electronics Recycling Association) is an ISO Certified Non-Profit helping companies effectively manage their retiring electronic/IT equipment in a responsible manner. Free data wiping, hard drive shredding services on-site or off-site with full reporting/certification.</p> <p>A key focus is to “re-use” retiring equipment where possible which echoes the stance of the Federal Government. Covid-19 has driven increased demand for electronics due to home schooling of children and the needs of many others across Canada. Call 1-877-9EWASTE or info@era.ca to coordinate a pickup up (they serve across Canada, some cities they have depots)</p>
<p>Got questions – call CKCA at 613-493-5858 or email us at info@ckca.ca</p>
