CKCA Spring Regional Conference

As the only national kitchen cabinet manufacturers’ conference in Canada, the CKCA Spring Regional brings industry together over 2 days to discuss business, see examples of innovation and hear from industry experts. All done, while creating a relaxing, social environment for attendees to establish new contacts and meet up with colleagues.

Our Vision

The Canadian Kitchen Cabinet Association (CKCA) will inspire progress and innovation in the Canadian kitchen manufacturing industry, by promoting excellence, facilitating continuous improvement and working to ensure high standards for design and manufacturing are upheld by members. We will also build strong relationships and enduring trust between CKCA members and the consumers, builders and industry partners whose support ensures the success of our members.
